## Air Discharge Permit Application Notice

| | |
|---|---|
| Application Number | CO-1070 |
| Affected Facility | Emerald Kalama Chemical, LLC/Lanxess AG<br>1296 Third Street NW, Kalama, WA 98625 |
| Description of Facility | Emerald Kalama Chemical, LLC (Emerald) is a Synthetic Organic Chemical Manufacturer of specialty and fine chemicals. The primary raw material is toluene, which is used to manufacture flavorings, scents, plasticizers, food additives, and other chemicals. |
| Source Designation | Title V<br>The facility is a stationary source subject to the Operating Permit Program contained in Chapter 173-401 WAC. Facility emissions are expected to be /are greater than 100 tpy of any single criteria pollutant, greater than 10 tpy of any single hazardous air pollutant, and/or greater than 25 tpy of any combination of hazardous air pollutants. |
| Purpose of Application | SWCAA has received a permit application to replace an existing baghouse on the Benzoate Plant with a water scrubber. This air pollution control equipment primarily controls fugitive particulate matter from the production of sodium and potassium benzoate. The application has not yet been reviewed to determine if it is administratively complete. The SWCAA permit writer identified below will be reviewing the application to make a determination of completeness and, if necessary, make a request for additional information. A copy of the application will be available to the public when the application is determined to be complete. |
| Affected Pollutants | The proposed permitting action is expected to impact emissions of the following pollutants: *Particulate Matter, Volatile Organic Compounds* |
| Public Comment Period | A 30 day public comment period on the draft permit will be provided for this application pursuant to SWCAA 400-171(3). When complete, a copy of the draft permit will be made available at the SWCAA business office and posted on the SWCAA webpage under the "Permits and Appeals/Open for Public Comment" section at *http://www.swcleanair.org/permitprelims.asp*. A notice announcing the draft permit will be published in a local newspaper. |
| Opportunity for Public Involvement | Any person who wishes to review or comment on this application/permit may:<br>• Contact the agency contact person identified below for more information; or<br>• Request a copy of the draft permit via regular or electronic mail when available. Requests for a copy of the draft permit must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below;<br><br>During the 30-day public comment period, any person may:<br>• Provide comment on the draft permit. Comments must be submitted to SWCAA in writing prior to the end of the designated public comment period; or<br>• Request a public hearing for the draft permit. Public hearing requests must be received by SWCAA in writing during the designated public comment period, indicate the interest of the person filing the request, and state why a hearing is warranted. A public hearing will be held if the Control Officer determines that significant public interest exists. |
