ADVERTISEMENT FOR BIDS
KWRL Transportation Cooperative (Owner)
PPLCAP 2020 PROJECT

General Notice
KWRL Transportation Cooperative (Owner) is requesting Bids for the construction of the following Project:

PPLCAP 2020 Project

Bids for the construction of the Project will be received at the KWRL Office, located at 885 Frazier Lane in Woodland, Washington, until Thursday, May 21, 2020 at 1:00 local time. At that time the Bids received will be publicly opened and read.

The Project includes the following Work: Add approximately 54,000 square feet of paved area to an existing school bus parking facility, including grading, retaining wall, curb, asphalt pavement, stormwater treatment and conveyance, public water main improvements, sidewalk, fencing, lighting, and landscaping.

Bids are requested for the following Contract: PPLCAP 2020 Project

Owner anticipates that the Project's total bid price will be approximately $500,000 to $00,000. The Project has an expected duration of 120 days.

Obtaining the Bidding Documents
Information and Bidding Documents for the Project can be found at the following designated website:

http://ftp.plsenergy.com/ftp-files/

KWRL Conversion Bid

Bidding Documents may be downloaded from the designated website. Prospective Bidders are urged to register with Lewis Engineering, Inc. by e-mail (admin@lsengineering.com) as a plan holder. Only Bidding Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.

Bidding Documents may be purchased from Union Engineering, Inc. at (360) 695-1385 or engineering@unionengr.com for $50 per set plus shipping costs. Shipment will be by FedEx, UPS, or USPS as selected by the bidder. No in-person pickup of documents will be available.

Pre-bid Conference
A pre-bid conference for the Project will be held on May 7, 2020 at 10:00 at the project site, 32518 NW 31st Avenue, La Center, Washington 98629. Attendance at the pre-bid conference is encouraged but not required.

Instructions to Bidders
Questions may be submitted by email to Allen Handy, Project Manager at allenh@plsenergy.com. For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are required in the Bidding Documents.

Determination of Nonsignificance (DNS)
Description of Proposal: Vancouver School District proposes to decommission six current heating stations and construct a new heating station at the Vancouver School District Transportation Facility.
Proponent: Vancouver School District No. 37, 2901 Fek Road, Vancouver, Washington 98661
Location: 2501 NE Stapleton Road, Vancouver WA 98661. Parcel No. 202950000
Lead Agency: Vancouver School District No. 37
The Lead Agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An Environmental Impact Statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made following review of a completed Environmental Checklist and other information on file with the lead agency. This information is available to the public on request. The DNS is issued pursuant to WAC 197-11-340(2)(a)(iv). The lead agency will not act on this proposal for at least 14 days from date of issuance.
Responsible Official: Todd Hornstein, Assistant Superintendent, Facilities
2901 Fek Road
Vancouver WA 98661
(360)313-1040
Todd.Hornstein@vancsd.org
Date Issued: April 28, 2020
Comment Deadline: May 12, 2020
Signature: Todd Hornstein, Assistant Superintendent, Facilities
NOTE: Pursuant to RCW 43.21C.075, the final decision of the Responsible Official may be appealed. The Responsible Official will issue a Notice of Action following the comment period. Any action to set aside, enjoin, review or otherwise challenge such action on the grounds of noncompliance with the provisions in Chapter 43.21C (State Environmental Policy Act) shall be commenced in Clark County Superior

Equip Abrams Park Well 11 Project
The City of Ridgefield is seeking bids from highly qualified contractors to provide all labor, supplies, equipment, materials for the Equip Abrams Park Well 11 Project. This project includes equipping Well 11, and other work, all in accordance with the attached Contract Plans, these Contract Provisions, and the Standard Specifications.
The Work shall be fully complete within 75 Working Days from the Notice to Proceed. Bid packages may be picked up at JD Blue Print Supply Co, located at 8100 NE St. Johns Road, Suite 8101, Vancouver, Washington on or after the hour of 10:00 a.m. local time, Friday, April 24, 2020. The City of Ridgefield makes great importance on the integrity and accuracy of the official plan holders list. Therefore each bidder will be required to register at the following email address: Bid@jcp.com. Once registered, enters will receive a username, login, password and download rights. Users may then download bid documents from the JD Blue center. Users will be notified by email containing a link which will provide all project updates and addenda. No other plan centers are authorized to disseminate bid packages. The fee for obtaining a bid package are non-refundable.
All project specific questions, requests for substitutions, or requests for clarification must be sent to Julia Denton, Procurement Specialist, via email to jdenton@ci.ridgefield.wa.us and be received by 4:00 P.M. on **Friday, May 1, 2020**. Incomplete or late inquiries may not be considered.
Sealed bids must be received by the City no later than 10:00 A.M. (Pacific Time) **Tuesday, May 12, 2020**. Submissions received after the specified time will not be accepted. The City of Ridgefield is not responsible for delays in delivery. Bid delivery time shall be documented by City affixed time/date stamp.
Bids must be delivered via mail or hand delivery to: Attn: Julia Denton, Procurement Specialist, City of Ridgefield, 230 Pioneer Street, P.O. Box 608, Ridgefield, WA 98642. Bid shall be in a sealed envelope, and clearly marked **"#20005 - Equip Abrams Park Well 11**. Bids received by fax or email will not be accepted.
The City of Ridgefield is committed to providing equal opportunities to State of Washington certified Minority, Disadvantaged and Women's Business Enterprises in contracting activities.
The City of Ridgefield in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat 252, 42 U.S.C. 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, subtitle A, Office of the Secretary, Part 21, nondiscrimination in federally assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises as defined in 49 CFR, Part 26 will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.
The City reserves the right to cancel this request or reject any and all bids or to waive any minor informalities that is in the best interest of the City would be served.
April 24, 28 - 381910

Notice of Application and Optional SEPA Determination of Nonsignificance (DNS)
Columbia Gardens
PRJ-1837-18/LUP-18087
Under the authority of VMC 20.790.030, the City of Vancouver will use the optional combined determination of nonsignificance (DNS) and notice of application process. Based on the initial review of the proposed project, the City of Vancouver has determined this agency expects to issue a DNS on the proposal finding the project will not create probable significant adverse environmental impacts.
The comment period for the notice of application may be the only opportunity to comment on the environmental impacts of the proposal.
This notice is intended to inform potentially interested parties about the proposal, invite them to submit written statements for the record, and inform them of their right to receive a notice of the decision, including a notice of appeal rights.
Request: 124-unit multi-family development and associated landscaping and parking improvements through a Type II Site Plan Review process.

Board of County Commissioners
Attn: Clerk of the Board
207 Fourth Avenue North
Kelso, WA 98626
Bids may be submitted electronically as a PDF, PDF file, or PDF file attached to an encrypted e-mail. Bids may be submitted only in accordance with the subject line "BID OPENING - GUARDIAN REPAIR PROJECT" and received by the bid opening date and time. Bidders shall also mail original documents postmarked on or before the bid opening date.
Bids, bonds, and course deliveries of bid submissions to the County, the bidder assumes all risk of bid submission via email failing to be received or to timely be received, and for whatever reason, if the email titled above. The County's determination of when a bid was received shall be final and non-appealable.
Project bid documents (plans, specifications, addenda, bid documents, bidders list and plan holders list) for this project are available online for inspection during the bidding period through the Builders Exchange of Washington (BXWA) website at www.bxwa.com. Click on Public Projects, then Public Works, then Cowlitz County and then Projects Bidding. These documents are available for viewing, downloading and printing on your own equipment free of charge. The service is provided to Prime Bidders, Subcontractors, and Vendors bidding on this project. Bidders will need to register as a Bidder through the BXWA in order to receive automatic e-mail notification of future addenda and to be placed on the Bidders List. Bidders should contact Builder's Exchange of Washington (425) 258-1303 for questions regarding access or registration.
It is the sole responsibility of the bidder to obtain addenda if any. Addenda information will be available on the BXWA web site at www.bxwa.com. Cowlitz County accepts no responsibility or liability and will provide no accommodation to bidders who fail to check for addenda and thereby submit incomplete or incorrect responses.
Cowlitz County will not provide paper copies of the Project Bid documents for this project for bidding purposes. A copy of the plans and specifications may be reviewed at the office of the Clerk of the Board of County Commissioners.
All bid proposals shall be accompanied by a bid proposal deposit in cash, certified check, cashier's check, or surety bond in an amount equal to five percent (5%) of the amount of each bid proposal. Should the successful bidder fail to enter into contract and furnish satisfactory performance and bonds within the time stated in the specifications, the bid proposal deposit shall be forfeited to Cowlitz County.
All documents submitted in response to this invitation to bid will become a matter of public record and subject to the Washington public disclosure act under chapter 42.56 RCW.
Cowlitz County, in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, subtitle A, Office of Secretary, Part 21, nondiscrimination in federally assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises as defined in 49 CFR, Part 26 will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.
Bidders shall contact Builder's Exchange of Washington (425) 258-1303 for questions regarding access or registration.
It is the sole responsibility of the bidder to obtain addenda if any. Addenda information will be available on the BXWA web site at www.bxwa.com. Cowlitz County accepts no responsibility or liability and will provide no accommodation to bidders who fail to check for addenda and thereby submit incomplete or incorrect responses.
Cowlitz County will not provide paper copies of the Project Bid documents for this project for bidding purposes. A copy of the plans and specifications may be reviewed at the office of the Clerk of the Board of County Commissioners.
All bid proposals shall be accompanied by a bid proposal deposit in cash, certified check, cashier's check, or surety bond in an amount equal to five percent (5%) of the amount of each bid proposal. Should the successful bidder fail to enter into contract and furnish satisfactory performance and bonds within the time stated in the specifications, the bid proposal deposit shall be forfeited to Cowlitz County.
All documents submitted in response to this invitation to bid will become a matter of public record and subject to the Washington public disclosure act under chapter 42.56 RCW.
BIDS AND SAFETY PLANNING
The Standard Specification section 1-07.1 assigns the responsibility for the health and safety of all workers to the Contractor. Construction activities continue during this pandemic, provided adequate safety precautions are in place to maintain safe and healthful workplaces.
BIDS
In order to continue to maintain employee safety and social distancing during the Ongoing Declaration of Disaster Beginning the COVID-19 response, bids may be submitted electronically as a PDF file and must be emailed to contracts@cowlitz.wa.us with the subject line "BID OPENING - GUARDIAN REPAIR PROJECT" and received by the bid opening date and time. Bidders shall also mail original documents postmarked on or before the bid opening date.
SAFETY PLANNING
In addition to existing health, safety, and sanitation regulations the United States and the State of Washington have instituted additional proclamations and rules surrounding the COVID-19 virus that must be followed. To demonstrate compliance with applicable requirements, the Contractor shall provide written correspondence describing the project specifically plans outlining additional procedures and measures that will be put in place to address COVID-19. Because this is a pandemic which is evolving rapidly, when warranted, it is expected that these project-specific safety plan(s) will be updated by the Contractor to reflect the most current rules in effect. Safety planning will result in mutual benefits to the Contractor, its workers and subcontractors, and the County. There may be conditions where COVID-19 safety planning cannot reasonably mitigate project issues or be addressed through other project options, and the Contractor is directed to the project bid documents and Standard Specifications as recommended for guidance.
There are a multitude of resources available on line that can provide information safety planning:

PUBLIC NOTICE
65th Avenue Apartments, LLC, 7202 NE Hazel Dell Ave Vancouver, WA 98665-6235, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.
The proposed project, NE 65th Avenue SAP Plan, is located approximately 150 feet south of intersection of NE 65th Avenue and Fourth Plain Boulevard in Vancouver in Clark County.
This project involves 1.07 acres of soil disturbance for Residential Commercial construction activities.
All discharges and runoff pollutants to ground water.
Any persons desiring to present their views to the Washington State Department of Ecology regarding this application, or interested in Ecology's action on this application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.
Comments can be submitted to:

PUBLIC NOTICE
Notice is hereby given that the Southwest Clean Air Agency (SWCAA) is providing a forty-five (45) day comment period to the public, Affected States, and EPA for the preliminary determination to issue Air Discharge Permit (ADP) 18-3302 to the City of Vancouver Westside Wastewater Treatment Plant. Because the City requested an increase in the maximum total from 0.020 megawatts to 0.037 megawatts, SWCAA is providing a second public comment period for this action. This preliminary determination is to approve installation and operation of a Mercury Control Module and a Inlet Dehumidifier to the control systems of the Biodiesel Fuel Incinerator (FB1), modify Sludge load rate, moisture monitoring requirements, and metals limits for the FB1, modify emission limits and operational parameters for the Air Treatment System, and approve installation and operation of two diesel-fired emergency generator engines. This facility is located at 2703 W Mill Plain Boulevard Vancouver, WA 98660.
The extended public comment period is being provided to meet a substantially equivalent permitting process under WAC 173-401-726(1)(b). The comment period applies to ADP 18-3302 only. Once the public comment period has ended and after resolving any comments, SWCAA will issue a final ADP as promptly as possible. In addition, SWCAA expects a request by the facility to revise its Operating Permit (AOP) SW07-1-R2 under an administrative amendment per WAC 173-401-726 to incorporate the terms of ADP 18-3302, to correct typographical errors, and identify more frequent monitoring or reporting requirements. There will be no additional public comment period provided on the revised Air Operating Permit.
Copies of the preliminary ADP and associated Technical Support Document are available for review at 11615 NE 99th Street, Suite 1294, Vancouver, Washington 98682-2322, Monday through Friday, 7:00 a.m. to 5:30 p.m. Electronic copies are available for review in the "Air Permits" SWCAA's website, http://www.swcleanair.org. The comment will be accepted only after media, if necessary, all written or oral comments must be received by SWCAA within forty-five (45) calendar days after the date of publication. If there is a demonstrated significant public interest, a public hearing may be held.
April 28 - 382380

PUBLIC NOTICE
Stanline Properties, LLC, Sandra Bogacki, 3 Sea Algonquin Rd Ste 200 Arlington Heights, IL 60005-4421, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit. The proposed project, Bittner Parcel 2, is located at SE corner of NE 78th and NE 147th Ave intersection in Vancouver in Clark county. This project involves 5.44 acres of soil disturbance for industrial construction activities. Discharges to ground water. The receiving waterbody is Burnt Bridge Creek.
Any persons desiring to present their views to the Washington State Department of Ecology, Hospital Ilse, regarding or interested in Ecology's action on this application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.
