

State Environmental Policy Act

DETERMINATION OF SEPA EXEMPT - SWCAA 24-016

Description of proposal:

The proponent has applied for a permit to install two additional bag sealing machines. This permitting action is not expected to have any significant adverse impact on traffic, noise, glare, housing, or recreation opportunities. There will be an increase in emissions from the addition of the bag sealing machines.

Proponent: Bob Burdick – Operations Manager

Location of proposal, including street address if any: 3807 SE Hidden Way, Vancouver, WA 98661

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that the proposed project is exempt from SEPA under WAC 197-11-800(3) as follows: "The repair, remodeling, maintenance, or minor alteration of existing private or public structures, facilities or equipment, including utilities, recreation, and transportation facilities involving no material expansions or changes in use beyond that previously existing; ...". The proposed project is identified as maintenance of existing facility and as such it does not have a probable significant impact on the environment. Neither an environmental checklist nor an environmental impact statement (EIS) is required under RCW 43.21C.030(2)(c). This decision was made by the lead agency after review of the proponent's proposal and the information on file with the lead agency. This information is available to the public on request.

This project/permitting action by SWCAA is SEPA exempt.
