

**Southwest Clean Air Agency**  
Air Discharge Permit Application Notice

Application Number	CO-1033
Affected Facility	Lewis River Hydroelectric Projects PacifiCorp Hydro Resources 105 Merwin Village Court Ariel, WA 98603
Description of Facility	PacifiCorp operates an engine at the Swift Forest Campgrounds which is used for powering well water pumps since the campground is not connected to municipal power. PacifiCorp also operates several emergency generators and an ozone generation plant, which are covered under the same permit.
Source Designation	<u>Minor</u> The facility is a stationary source subject to review under SWCAA 400-110. Facility emissions will be less than 100 tpy of any single criteria pollutant, less than 10 tpy of any single hazardous air pollutant, and less than 25 tpy of any combination of hazardous air pollutants.
Purpose of Application	SWCAA has received a permit application for replacement of a generator at the Swift Forest Campground with two smaller generators. The existing generator is used to power well water pumps, and the replacements will be used for the same purpose. The application has not yet been reviewed to determine if it is administratively complete. The SWCAA permit writer identified below will be reviewing the application to make a determination of completeness and, if necessary, make a request for additional information.
Affected Pollutants	The proposed permitting action is expected to impact emissions of the following pollutants:  NO <sub>x</sub> , CO, VOC, SO <sub>2</sub> , and PM
Public Comment Period	No public comment period for the draft permit is currently scheduled. A 30-day public comment period for the draft permit may be provided upon written request pursuant to SWCAA 400-171(1).
Opportunity for Public Involvement	Any person who wishes to review or comment on this application/permit may: <ul style="list-style-type: none"> <li>• Contact the agency contact person identified below for more information;</li> <li>• Request a public comment period pursuant to SWCAA 400-171(3). Requests for a public comment period must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below;</li> <li>• Request a copy of the draft permit via regular or electronic mail when available. Requests for a copy of the draft permit must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below;</li> <li>• Provide comment on the draft permit if a public comment period is provided. Comments must be submitted to SWCAA in writing prior to the end of the designated public comment period; or</li> <li>• Request a public hearing for the draft permit. Public hearing requests must be received by SWCAA in writing during the designated public comment period, indicate the interest of the person filing the request, and state why a hearing is warranted. A public hearing will be held if the Control Officer determines that significant public interest exists.</li> </ul>
Application Dates	Date received: August 3, 2020 Date of public notice: August 12, 2020 Due date for public comment period and draft permit requests: August 27, 2020
