REVISED NEWS RELEASE

The Spring period for residential burning of yard and garden trimmings by the private homeowner in Clark and Cowlitz Counties will begin March 1, 1987 and extend through sundown June 15, 1987. The burning is limited to natural vegetation from the yard and garden in the forms of leaves, clippings, prunings and other similar vegetation, and must be conducted according to fire safety requirements of the fire department. Burning must be discontinued if it creates a fire hazard or nuisance conditions. Burning will be allowed every day during this period from sunrise to sunset.

Fire control requirements vary from city to city. Following is a brief description of these requirements.

Longview Fire Department: Annual written permits must be obtained.

Castle Rock Fire Department: A written permit is not required.

Kalama Fire Department: A written permit is not required.

Fire District #2: Within Kelso city limits, seasonal permits must be obtained. Outside city limits, natural vegetation may be burned within the requirements established by the Department of Natural Resources.

IMMEDIATE NEWS RELEASE

The Spring period for residential burning of yard and garden trimmings by the private homeowner of Clark County will begin March 1, 1987 and extend through sundown June 15, 1987.

The approved burning is limited to natural vegetation from the yard and garden in the forms of leaves, clippings, prunings and other similar vegetation, and must be conducted according to fire safety requirements of the fire department. Burning will be allowed every day from sunrise to sunset during this period. No burning of household wastes or materials not grown on the property is allowed. Burning must be discontinued if it creates a fire hazard or nuisance conditions.

If you live in the Camas Fire District you must call for daily open burning information. In all other areas a permit or notification during the approved burning period is not required.

Open burning for any land clearing is not allowed within the city limits of Battle Ground, Camas, LaCenter, Ridgefield, Vancouver, Washougal and Yacolt, or within the boundaries of populated areas which include all of Clark County Fire District #5 and portions of Districts #4 and #6 (see map). In all other areas a permit is required for land clearing burning. Please contact your fire district or the Washington State Department of Natural Resources for permits.
