FOR IMMEDIATE RELEASE

EAST COUNTY **SMALL DEBRIS BURN BAN**

Small debris burn permits will no longer be valid as of June 2, 2025

Fire danger season is upon us and to keep our community safe Skamania County implements burn restrictions as a tool to reduce human-caused wildfires during extremely hot and dry weather conditions.

All small debris fires on the East side of the county that are currently burning must be completely extinguished by 12:00am, Monday June 2, 2025.

Recreational fires meeting the [Skamania County Minimum Fire Pit Standards](#) will continue to be permissible on Skamania County regulated lands but are subject to immediate closure as we move into fire season. Recreational fires on State and Federal lands are not regulated by Skamania County. Please call before you burn: 1-800-323-BURN or visit burnportal.dnr.wa.gov for State lands burning information and <https://www.fs.usda.gov/main/giffordpinchot/fire> for Federal lands burning information.

As always, please be sure recreational fires are completely extinguished before leaving them unattended and remain diligent when burning, following all burning conditions and restrictions listed on the burn permit. Making smart, informed decisions and burning responsibly is the best way to prevent wildfires.

For burn ban updates and burning information please check all available resources including:
