| **Description of Facility** | Columbia Precast Products manufactures precast concrete structures for storm drain, sanitary sewer, and utility systems. CPP has 2 batch plants within the facility. |
| **Source Designation** | **Minor**  
The facility is a stationary source subject to review under SWCAA 400-110. Facility emissions are less than 100 tpy of any single criteria pollutant, less than 10 tpy of any single hazardous air pollutant, and less than 25 tpy of any combination of hazardous air pollutants. |
| **Purpose of Application** | SWCAA has received a permit application to permit concrete production equipment at the above described facility. The application has not yet been reviewed to determine if it is administratively complete. The SWCAA permit writer identified below will be reviewing the application to make a determination of completeness and, if necessary, make a request for additional information. A copy of the application will be available to the public when the application is determined to be complete. |
| **Affected Pollutants** | The proposed permitting action is expected to impact emissions of the following pollutants:  
NOₓ, CO, PM, VOC, HAPs, TAPs |
| **Public Comment Period** | No public comment period for the draft permit is currently scheduled. A 30-day public comment period for the draft permit may be provided upon written request pursuant to SWCAA 400-171(1). |
| **Opportunity for Public Involvement** | Any person who wishes to review or comment on this application/permit may:  
- Contact the agency contact person identified below for more information;  
- Request a public comment period pursuant to SWCAA 400-171(3). Requests for a public comment period must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below;  
- Request a copy of the draft permit via regular or electronic mail when available. Requests for a copy of the draft permit must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below;  
If a public comment period was requested and granted, any person may:  
- Provide comment on the draft permit. Comments must be submitted to SWCAA in writing prior to the end of the designated public comment period; or  
- Request a public hearing for the draft permit. Public hearing requests must be received by SWCAA in writing during the designated public comment period, indicate the interest of the person filing the request, and state why a hearing is warranted. A public hearing will be held if the Control Officer determines that significant public interest exists. |
