

## **PUBLIC HEARING NOTICE**

Notice to the public is hereby given that the Southwest Clean Air Agency (SWCAA) will hold a public hearing for the preliminary determination to issue Air Discharge Permit 16-3204 to Northwest Innovation Works Kalama (NWIWK). This preliminary determination proposes to approve installation of a methanol production facility to be located at 222 Tradewinds Road in Kalama, Cowlitz County, Washington.

The public hearing will be conducted on January 4, 2017 in the Cowlitz PUD auditorium (961 12<sup>th</sup> Ave, Longview, Washington). An open house providing general information about the project will be held from 4 to 5 PM. A public presentation will be made by the proponent from 5 to 6 PM. Oral testimony from the public will be taken beginning at 6 PM. The hearing is scheduled to close at 8 PM. The public comment period for this action will be extended until the close of business on January 5, 2017. Final action by SWCAA to approve, modify, or deny the proposal will not be taken until comments submitted during the comment period and testimony given at the public hearing have been reviewed and considered.
