

PUBLIC NOTICE

Notice to the public is hereby given that the Southwest Clean Air Agency (SWCAA) has made a preliminary determination to issue Air Discharge Permit SWCAA 17-3221 to Instafab Co. This preliminary determination allows for the approval to operate an existing metal fabrication facility at 2424 E 2nd Street, Vancouver, Clark County, Washington. The facility is a potential source of PM, VOCs, TAPs, and HAPs from spray coating and welding.

The public has an opportunity to review and comment on the preliminary Air Discharge Permit. All written or oral comments must be received by SWCAA within 30 days after this publication. Final action by SWCAA to approve, modify, or deny the proposal will be taken within 10 days after the close of the comment period. If there is a demonstrated significant public interest, a public meeting may be held at the close of the public comment period. The material is available for review at 11815 NE 99th Street, Suite 1294, Vancouver, Washington, Monday through Friday from 7:00 a.m. to 5:30 p.m. or online at <http://swcleanair.org/permits/publiccomments.asp>.
