

## **PUBLIC NOTICE**

Notice to the public is hereby given that the Southwest Clean Air Agency (SWCAA) is providing a 30 day public comment period for the preliminary determination to issue Air Discharge Permit 23-3606 to Steelscape, LLC. This preliminary determination approves installation of a new solvent recycling system at a steel coil milling and coating facility located at 222 West Kalama River Road in Kalama, Cowlitz County, Washington. This action will not result in an increase in facility-wide emissions or make changes to existing emission limits.

Copies of the preliminary Air Discharge Permit and associated Technical Support Document are available for review at 11815 NE 99th Street, Suite 1294, Vancouver, Washington, Monday through Friday from 7:00 a.m. to 5:30 p.m. Electronic copies are available for review in the permit section of SWCAA's internet website ([www.swcleanair.gov/permits/publiccomments.asp](http://www.swcleanair.gov/permits/publiccomments.asp)). This material will be made available in other media, if necessary. All written or oral comments must be received by SWCAA within thirty (30) days after the date of publication. If there is a demonstrated significant public interest, a public hearing may be held at the close of the public comment period.
