PUBLIC NOTICE

Notice to the public is hereby given that the Southwest Clean Air Agency (SWCAA) is providing a 30-day public comment period for the preliminary determination to issue Air Discharge Permit 19-3320 to EGT, LLC. This preliminary determination approves the installation of a new dust transfer system at an existing grain export terminal located at 150 E Mill Road in Longview, Cowlitz County, Washington. This action will increase allowable facility particulate matter emissions by less than 1.0 tpy.

Copies of the preliminary Air Discharge Permit and associated Technical Support Document are available for review at 11815 NE 99th Street, Suite 1294, Vancouver, Washington, Monday through Friday from 7:00 a.m. to 5:30 p.m. Electronic copies are available for review in the permit section of SWCAA's internet website (www.swcleanair.org/PermitsPrelim.html). This material will be made available in other media, if necessary. All written or oral comments must be received by SWCAA within thirty (30) days after this publication. Final action by SWCAA to approve, modify, or deny the proposal will be taken within ten (10) days after the close of the comment period. If there is significant public interest, a public meeting may be held at the discretion of the agency's Executive Director.
