

PUBLIC NOTICE

Notice to the public is hereby given that the Southwest Clean Air Agency (SWCAA) has made a preliminary determination to issue Air Discharge Permit number 20-3404 to TEMCO, LLC to allow the loading of grain into combination trucks that do not fit fully within Loadout Station #1 at their facility at 400 Toteff Road, Kalama, WA.

Copies of the preliminary Air Discharge Permit and associated Technical Support Document are available for review at 11815 NE 99th Street, Suite 1294, Vancouver, Washington, Monday through Friday from 7:00 a.m. to 5:30 p.m. Electronic copies are available for review in the permit section of SWCAA's internet website (www.swcleanair.org/permitprelims.asp). This material will be made available in other media, if necessary. All written or oral comments must be received by SWCAA within 30 days after the date of publication. Final action by SWCAA to approve, modify, or deny the proposal will be taken within 10 days after the close of the comment period. If there is a demonstrated significant public interest, a public meeting may be held at the close of the public comment period.

Questions and comments should be directed to Clint Lamoreaux at (360) 574-3058 ext. 131, clint@swcleanair.org, or at the address listed above.
