

**State Environmental Policy Act**

**DETERMINATION OF NONSIGNIFICANCE (DNS) – SWCAA 21-020**

**Description of proposal:**

ADP Application L-3167: Installation of an emergency generator. Applicant proposes to install and operate an emergency generator at the wastewater treatment plant. The proposed project does not involve any excavation, building construction or change in land use. Existing repair and service operations will continue unchanged. Impact on media other than air will be negligible. Air impact will be minimized by operational limits in SWCAA's air discharge permit.

**Proponent:** BNSF Railway (Ryan Hibbs, Senior Manager - Environmental Operations)

**Location of proposal, including street address if any:**

1310 West 11<sup>th</sup> Street in Vancouver, WA 98660

**Lead agency:** Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

There is no comment period for this DNS.

This DNS is issued after using the optional DNS process in WAC 197-11-355. There is no further comment period in the DNS.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below. Comments must be submitted by \_\_\_\_\_.
