

State Environmental Policy Act

DETERMINATION OF NONSIGNIFICANCE (DNS) – SWCAA 22-007

Description of proposal:

ADP Application L-724: The proponent has applied for a permit to install a new anti-stain system at the existing lumber mill. The new equipment will produce emissions of volatile organic compounds and toxic air pollutants. At the emission levels proposed, this equipment will not have a significant adverse impact on ambient air quality. This permitting action is not expected to have any effect on traffic, noise, glare, housing, or recreation opportunities.

Proponent:

Hampton Lumber Mills - WA, Inc. Morton Facility (Tim Johnson, Mill Manager)

Location of proposal, including street address if any:

302 State Route 7
Morton, Washington 98361

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
