DETERMINATION OF SEPA EXEMPT - SWCAA 22-026

Description of proposal:

ADP Application CL-3204: Increase in process temperature and modification of emission control equipment. The proposed project is limited to minor changes in operating practice and modification of emission control equipment at an existing hot mix asphalt plant. This project is exempt from SEPA requirements pursuant to WAC 197-11-800(3) since it only involves repair, remodeling, maintenance, or minor alteration of existing structures, equipment or facilities, and does not involve material expansions or changes in use.

Proponent: Lakeside Industries, Inc. (Karen Deal, Environmental Director)

Location of proposal, including street address if any:

8705 NE 117th Avenue, Vancouver, WA 98662

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that the proposed project is exempt from SEPA under WAC 197-11-800(3) as follows: "The repair, remodeling, maintenance, or minor alteration of existing private or public structures, facilities or equipment, including utilities, recreation, and transportation facilities involving no material expansions or changes in use beyond that previously existing;" The proposed project is identified as maintenance of existing equipment and as such it does not have a probable significant impact on the environment. Neither an environmental checklist nor an environmental impact statement (EIS) is required under RCW 43.21C.030(2)(c). This decision was made by the lead agency after review of the proponent's proposal and the information on file with the lead agency. This information is available to the public on request.

This project/permitting action by SWCAA is SEPA exempt.
