

State Environmental Policy Act

DETERMINATION OF NONSIGNIFICANCE (DNS) – SWCAA 22-036

Description of proposal:

ADP Application CL-3203: The proponent has applied for a permit to operate an existing cabinetry manufacturing facility that consists of coating equipment with particulate matter filters as well as fabric filtration for wood working equipment. The new equipment will produce emissions of volatile organic compounds, particulate matter, and toxic air pollutants. At the emission levels proposed, this equipment will not have a significant adverse impact on ambient air quality. This permitting action is not expected to have any effect on traffic, noise, glare, housing, or recreation opportunities.

Proponent:

Coughlin Custom Cabinets – (Patrick Coughlin)

Location of proposal, including street address if any:

811 SE Grace Ave.
Battle Ground, WA 98604

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- There is no comment period for this DNS.
