

**State Environmental Policy Act
DETERMINATION OF SEPA EXEMPTION 23-014**

Description of proposal:

Sound Placement Services, LLC submitted Air Discharge Permit (ADP) Application CO-1065 to the Southwest Clean Air Agency in which the facility is seeking approval to install and operate a replacement boiler. Sound Placement Services operates a truck mix concrete plant. The facility primarily produces pre-cast concrete products such as retaining walls, septic tanks and sewer manholes.

Proponent:

Tom Howard, Manager, Sound Placement Services LLC

Location of proposal, including street address if any:

4562 Westside Highway, Castle Rock, WA 98611

Lead agency:

Southwest Clean Air Agency

The lead agency for this proposal has determined that the proposed project is exempt from the requirements of the State Environmental Policy Act (SEPA) under Washington Administrative Code (WAC) 197-11-800(3) as follows: "The repair, remodeling, maintenance, or minor alteration of existing private or public structures, facilities or equipment, including utilities, recreation, and transportation facilities involving no material expansions or changes in use beyond that previously existing." The proposed project is identified as maintenance of existing equipment and as such it does not have a probable significant impact on the environment. Neither an environmental checklist nor an Environmental Impact Statement is required under Revised Code of Washington (RCW) 43.21C.030(2)(c). This decision was made by SWCAA after review of the proponent's proposal and the information on file with the lead agency. This information is available to the public on request.

☒ This project/permitting action by SWCAA is SEPA exempt.
