

State Environmental Policy Act

DETERMINATION OF NONSIGNIFICANCE (DNS) – SWCAA 23-021

Description of proposal:

ADP Application CL-3213: Operation of an existing auto parts repair and painting shop which includes a spray booth with particulate filters to control particulate matter. At the emission levels proposed, this equipment will not have a significant adverse impact on ambient air quality. This permitting action is not expected to have any effect on traffic, noise, glare, housing, or recreation opportunities.

Proponent:

Lightning Collision Services (Lucia Torres Flores, Owner)

Location of proposal, including street address if any:

13917 NE Fourth Plain Blvd., Vancouver, WA 98682

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- There is no comment period for this DNS.
- This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below. Comments must be submitted by _____.
