

State Environmental Policy Act

DETERMINATION OF NONSIGNIFICANCE (DNS) – SWCAA 23-035

Description of proposal:

ADP Application CO-1076: Title V Opt-out Order. This action establishes voluntary emission limits on lumber drying operations for the purpose of opting out of the Air Operating Permit Program. No physical changes are being made to existing equipment or operating practices. There will be negligible impact on any media other than air. Potential emissions will decrease as a result of this action.

Proponent: Weyerhaeuser NR Company (Angela Cameron, Facility Environmental Manager)

Location of proposal, including street address if any:

2901 Industrial Way in Longview, Washington 98632

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- ☒ There is no comment period for this DNS.
- ☐ This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below. Comments must be submitted by ____.
