
State Environmental Policy Act

DETERMINATION OF SEPA EXEMPT - SWCAA 24-003

Description of proposal:

Glacier Northwest/East Vancouver Ready Mix submitted Air Discharge Permit (ADP) Application CL-3256 to the Southwest Clean Air Agency to replace four existing dust collectors with new dust collectors on an existing stationary concrete batch plant. This project is exempt from SEPA requirements pursuant to WAC 197-11-800(3) since it only involves repair, remodeling, maintenance, or minor alteration of existing structures, equipment or facilities, and does not involve material expansions or changes in use.

Proponent:

Bryan Wigginton, Environmental Manager

Location of proposal, including street address if any:

18606 SE 1st Street, Vancouver, WA 98684

Lead agency:

Southwest Clean Air Agency

The lead agency for this proposal has determined that the proposed project is exempt from SEPA under WAC 197-11-800(3) as follows: "The repair, remodeling, maintenance, or minor alteration of existing private or public structures, facilities or equipment, including utilities, recreation, and transportation facilities involving no material expansions or changes in use beyond that previously existing; ...". The proposed project is identified as maintenance of existing facility and as such it does not have a probable significant impact on the environment. Neither an environmental checklist nor an environmental impact statement (EIS) is required under RCW 43.21C.030(2)(c). This decision was made by the lead agency after review of the proponent's proposal and the information on file with the lead agency. This information is available to the public on request.

This project/permitting action by SWCAA is SEPA exempt.

Responsible official: Clint Lamoreaux, P.E.
