

State Environmental Policy Act

DETERMINATION OF NONSIGNIFICANCE (DNS) - SWCAA 24-038

Description of proposal:

Georgia Pacific Consumer Operations, LLC submitted Air Discharge Permit (ADP) Application CL-3274 to the Southwest Clean Air Agency to approve an increase in the nitrogen oxides limit for Boiler #6. At the emission levels proposed, this equipment will not have a significant adverse impact on ambient air quality. This permitting action is not expected to have any effect on traffic, noise, glare, housing, or recreation opportunities.

Proponent: Spencer Giles, Environmental Manager

Location of proposal: 401 NE Adams Street, Camas, WA 98607

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

There is no comment period for this DNS.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below. Comments due by _____.

State Environmental Policy Act

ADOPTION of EXISTING DOCUMENT

Description of proposal:

Georgia Pacific Consumer Operations, LLC submitted Air Discharge Permit (ADP) Application CL-3274 to the Southwest Clean Air Agency to approve an increase in the nitrogen oxides limit for Boiler #6. At the emission levels proposed, this equipment will not have a significant adverse impact on ambient air quality. This permitting action is not expected to have any effect on traffic, noise, glare, housing, or recreation opportunities.

Proponent: Spencer Giles, Environmental Manager

Location of proposal: 401 NE Adams Street, Camas, WA 98607

Adapted Document: New Boiler Project State Environmental Policy Act Checklist and ADP Application CL-3274

Prepared Date: April 17, 2020 and July 31, 2024

Description of adaptation:

Georgia Pacific Consumer Operations, LLC submitted a SEPA checklist for the installation of a natural gas-fired package boiler. Southwest Clean Air Agency will adopt this form to assess the environmental impact of the proposal listed above. Within the document, Southwest Clean Air Agency concludes that the only notable change in environmental impact is an increase in nitrogen oxides.

The adopted document is available from the Southwest Clean Air Agency at the address below.

We have identified and adopted this document as being appropriate for this proposal after independent review. The document meets our environmental review needs for the current proposal and will accompany the proposal to the decision maker.
