

**State Environmental Policy Act**

**DETERMINATION OF NONSIGNIFICANCE (DNS) – SWCAA 25-025**

**Description of proposal:**

ADP Application CL-3298: Installation of a digital printing press at an existing facility. Proposed press will be installed for the purpose of expanding capacity. Existing operations will not be modified. The proposed installation will not require any building construction or infrastructure expansion. Impact on all media except air is expected to be minimal. Air emissions will be minimized through the use of low solvent materials and ozone decomposers.

**Proponent:** ePac Portland , LLC (Samir Patel, VP of Development)

**Location of proposal, including street address if any:**

18110 SE 34<sup>th</sup> Street in Vancouver, Washington 98683

**Lead agency:** Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
