

**State Environmental Policy Act**

**DETERMINATION OF SEPA EXEMPT - SWCAA 25-030**

**Description of proposal:**

ADP Application CO-1119: Replacement of existing nonroad diesel engine. Proponent proposes to replace an existing diesel engine power unit with a diesel engine of similar design and capacity. No other changes will be made to existing operations. This project is exempt from SEPA requirements pursuant to WAC 197-11-800(3) since it only involves replacement of existing equipment, and does not involve material expansions or changes in use.

**Proponent:** Swanson Bark and Wood Products (Suzanne Douglas, General Manager)

**Location of proposal, including street address if any:**

240 Tennant Way, Longview, WA 98632

**Lead agency:** Southwest Clean Air Agency

The lead agency for this proposal has determined that the proposed project is exempt from SEPA under WAC 197-11-800(3) as follows: "The repair, remodeling, maintenance, or minor alteration of existing private or public structures, facilities or equipment, including utilities, recreation, and transportation facilities involving no material expansions or changes in use beyond that previously existing; ...." The proposed project is identified as maintenance of existing equipment and as such it does not have a probable significant impact on the environment. Neither an environmental checklist nor an environmental impact statement (EIS) is required under RCW 43.21C.030(2)(c). This decision was made by the lead agency after review of the proponent's proposal and the information on file with the lead agency. This information is available to the public on request.

☒ This project/permitting action by SWCAA is SEPA exempt.
