### Application Number
CL-3204

### Affected Facility
Lakeside Industries, Inc.
8705 NE 117th Ave, Vancouver, WA 98662

### Description of Facility
Hot mix asphalt production plant.

### Source Designation
Minor. The facility is a stationary source subject to review under SWCAA 400-110. Facility emissions are less than 100 tpy of any single criteria pollutant, less than 10 tpy of any single hazardous air pollutant, and less than 25 tpy of any combination of hazardous air pollutants.

### Purpose of Application
SWCAA has received a permit application for modification of the asphalt silo emission control system and change in maximum production temperature at the above described facility. The application has not yet been reviewed to determine if it is administratively complete. The SWCAA permit writer identified below will be reviewing the application to make a determination of completeness and, if necessary, make a request for additional information. A copy of the application will be available to the public when the application is determined to be complete.

### Affected Pollutants
The proposed permitting action is expected to impact emissions of the following pollutants: CO, PM, VOC, HAPs, TAPs

### Public Comment Period
No public comment period is currently scheduled for this application. A 30-day public comment period will be provided upon request for this application/permit pursuant to SWCAA 400-171(1).

### Opportunity for Public Involvement
Any person who wishes to review or comment on this application/permit may:
- Contact the agency contact person identified below for more information;
- Request a public comment period pursuant to SWCAA 400-171(3). Requests for a public comment period must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below; and/or
- Request a copy of the draft permit via regular or electronic mail when available. Requests for a copy of the draft permit must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below;

If a public comment period is provided, any person may:
- Provide comment on the draft permit if a public comment period is provided. Comments must be submitted to SWCAA in writing prior to the end of the designated public comment period; and/or
- Request a public hearing for the draft permit. Public hearing requests must be received by SWCAA in writing during the designated public comment period, indicate the interest of the person filing the request, and state why a hearing is warranted. A public hearing will be held if the Control Officer determines that significant public interest exists.

### Application Dates
- Date application received: July 19, 2022
- Date of application notice: July 20, 2022
- Last date to request a public comment period: August 4, 2022
