

**Southwest Clean Air Agency**  
Air Discharge Permit Application Notice

Application Number	L-752		
Affected Facility	Cardinal FG 545 Avery Road West, Winlock, Washington 98596		
Description of Facility	This facility is a flat glass manufacturing plant with a single production line.		
Source Designation	<u>Title V.</u> The facility is a stationary source subject to the Operating Permit Program contained in Chapter 173-401 WAC. Facility emissions are greater than 100 tpy of any single criteria pollutant, greater than 10 tpy of any single hazardous air pollutant, and/or greater than 25 tpy of any combination of hazardous air pollutants.		
Purpose of Application	SWCAA has received a permit application for establishment of an alternative visible emission limit at the above described facility. The application has not yet been reviewed to determine if it is administratively complete. The SWCAA permit writer identified below will be reviewing the application to make a determination of completeness and, if necessary, make a request for additional information. A copy of the application will be available to the public when the application is determined to be complete.		
Affected Pollutants	The proposed permitting action is expected to impact emissions of the following pollutants: None		
Public Comment Period	No public comment period for the draft permit is currently scheduled. A 30-day public comment period for the draft permit will be provided upon written request pursuant to SWCAA 400-171(3).		
Opportunity for Public Involvement	<p>Any person who wishes to review or comment on this application/permit may:</p> <ul style="list-style-type: none"> <li>• Contact the agency contact person identified below for more information;</li> <li>• Request a public comment period pursuant to SWCAA 400-171(3). Requests for a public comment period must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below; and/or</li> </ul> <p>If a public comment period is provided, any person may:</p> <ul style="list-style-type: none"> <li>• Provide comment on the draft permit if a public comment period is provided. Comments must be submitted to SWCAA in writing prior to the end of the designated public comment period; and/or</li> <li>• Request a public hearing for the draft permit. Public hearing requests must be received by SWCAA in writing during the designated public comment period, indicate the interest of the person filing the request, and state why a hearing is warranted. A public hearing will be held if the Control Officer determines that significant public interest exists.</li> </ul>
