Purpose of the proposal and its anticipated effects, including any changes in existing rules:

The proposed rule change removes reference to specific fees and registration citation and directs the reader to consult the current Consolidated Fee Schedule.

Reasons supporting proposal:

This proposed change is part of a process to consolidate all Agency fees into a single location to make it easier for affected parties to locate applicable fees. It will also remove the fees from the rule and establish a process for public notice and Board consideration of changes without going through the complicated and lengthy rule making process. The procedure for adoption and revision of the Consolidated Fee Schedule is provided for under SWCAA 400-098.
